### **COMMENTS ON DRAFT ENGINEERING EVALUATION/COST ANALYSIS NON-TIME-CRITICAL REMOVAL ACTION AT SOLID WASTE MANAGEMENT UNIT (SWMU) 57, U. S. NAVAL WEAPONS STATION, SEAL BEACH**

Dear Ms. Tamashiro:

We have completed our review of the above-referenced document, dated April 28, 2005, which we received on May 3, 2005. This document discussed the alternatives and cost for removing arsenic-contaminated soil from site SWMU 57 and properly disposing of it.

We concur with the proposed action at site SWMU 57.

If you should have any questions, please call me at (951) 782-4498, or send e-mail to [phannon@waterboards.ca.gov](mailto:phannon@waterboards.ca.gov).

Sincerely,

Original signed by

Patricia A. Hannon
